Hi Twitter,

Thanks for reviewing this content. We would greatly appreciate you re-reviewing the tweet and removing it in line with your Civic Integrity Policy.

The tweet wrongly implies that “fake” voters can be enrolled on the Australian electoral roll, and encourages users to do so via a monetary incentive. Enrolment fraud is an offence under the Commonwealth Electoral Act, and falsely claiming that enrolment fraud is occurring – without evidence – only serves to bolster disinformation and undermine faith in the electoral process. Protecting election processes is something Twitter has endeavoured to do, and is in line with your Civic Integrity Policy.

Kind regards,

[REDACTED]

Australian Electoral Commission
