Good afternoon **Section 47f**

Apologies for the delay in getting back to you regarding the AEC participating in the YouTube Trusted Flagger Program. We've been considering the offer closely and have some follow up questions.

Section 47C(1)

Lastly, we've noted that the policy vertical of [Electoral Misinformation](#), along with the [Hate Speech](#), may be more suitable for the AEC than the broader [Misinformation](#) vertical. The AEC will only refer content concerning the referendum or electoral process and will not be engaging with the subject of the referendum.

Looking forward to hearing back from you. Should we proceed, we'd appreciate if we could please forward an updated NDA with the with the details reflected below:

Full Legal Entity Name: The Commonwealth of Australia represented by the Australian Electoral Commission

Address: 12 Mort St, Canberra, ACT, 2601, Australia.

Full name: **Section 47f**

Title: Assistant Commissioner

Email: **Section 47f**

Many thanks for your patience as we consider this program.

No worries at all - understand how busy you must be!

We'd be happy to provide a copy of the NDA but require the following details to do so:

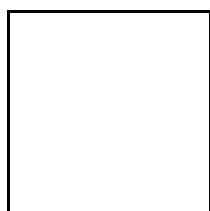

- Full name
- Email address
- Physical Address
- Job Title

I know you mentioned you'd like to onboard a few but details for just one email account holder would suffice.

And in terms of policy verticals, our focus would be on misinformation (which is broader than election misinformation and should realistically cover the issues we'd anticipate could arise in the context of the referendum) but thought it might be sensible to cover hate speech as well. If you'd prefer to cover just misinformation that is fine with us.

Apologies for the delay in getting back to you. We're still considering, but would appreciate if you could please provide a copy of the NDA participants are subject to. Also seeking to clarify if we will be reporting against the [policy vertical](#) of misinformation or elections misinformation, as well as hate speech.

Again, appreciate your patience.

Hi

Section 47f

Just following up to see if any decision had been made about the Trusted Flagger program? It's not a problem if you are still considering - will just need to let our training teams know.

Thanks for your time yesterday. It was really informative to learn about the AEC's plans for the upcoming referendum.

I promised to share some further information about YouTube's Trusted Flagger program, which can be found [here](#). As I mentioned, if the AEC was interested, we would propose onboarding under our misinformation and hate speech verticals within the next four weeks or so. The time commitment for the team would be about an hour.

Please let me know if this is something you'd be interested in pursuing and I can make the necessary arrangements. I'd also be happy to answer any further questions you might have.

All the best,
