Live text must not be used within this document. All text should be converted to outlines.

- Colour other than 100% black used:

Elements must be 100% black within this document. This condition can sometimes be triggered by the inclusion of colour profiles or elements that are white.

- Raster image used:

The party's application relating to registering a logo will be set aside until the deficiency/deficiencies identified are rectified and an updated logo is either resubmitted or the application withdrawn.
